CONSULTANT

FOUNDER & CEO, A1 BUSINESS EXPERTS • THE FUNDABILITY INSTITUTE™

| *“Do not chase the opportunity. Become ready for the opportunity.”*

For more than 25 years, DrFaye has helped individuals and organizations recognize overlooked assets, strengthen readiness, activate purpose, and build practical strategy at the intersection of faith, leadership, business, technology, fundability, and media. Her presentations are not designed simply to create a moment — they are designed to create movement.

FOUR SIGNATURE TALKS

01

Funding Follows Fundability™*You may not have a funding problem. You may have a fundability problem.*

Reframes the funding conversation: readiness, credibility, systems, and evidence that create funder confidence. From The Fundability Institute™ and GetFundable™.

02

CPR™: Creativity, Passion & Recall*Remember what is in you. Reignite what is possible.*

Helps audiences reconnect with gifts, ideas, and possibilities buried beneath responsibility, routine, and transition. Not nostalgia — activation.

03

AI Wisdom™: Strategy, Discernment & the Human Advantage*Technology should expand human capacity, not replace human wisdom.*

Moves leaders beyond tools and prompts into strategy, discernment, responsibility, and purpose. Also presented as Kingdom Strategy + Technology for faith audiences.

04

Legacy Masters™*Build what can continue beyond you.*

Moves legacy beyond money into stewardship, documentation, leadership development, generational transfer, and lasting contribution.
